

Chem-II Group Assignment

Each group will be assigned a section of Chapter 13 and/or 14-1 to prepare and present a 15 to 20 minute lesson to the entire class. Each group's lesson will conclude with a follow up activity (problems, quiz, word puzzle, etc...) to be shared with the class. All groups will be required to present their sections on Friday, Oct 14th during the block period.

Each group will be graded on a 30 pt ("triple quiz") scale to be based on the following: (max of 5 pts each)

Use of Prep Time (on Tues/Wed classes and beyond)

Teamwork (Note: group members grades can vary based on level of involvement)

Incorporation of a variety of A/V aids (posters/powerpt/Youtube/simple demos)

Preparation for presentation on Friday

Quality of presentation (including time coverage of approx. 15 min)

Follow up activity/problems for classmates

ONCE AGAIN, all groups will be ready to present on Friday, Oct 14th!!!!
